City of Coolidge Public Works Department
355 South 1st Street, Coolidge AZ 85228 520-723-4882 Fax: 520-723-3004

ROLL-OFF AGREEMENT

Name: _____

Physical Address of where roll-off is to be delivered: _____

You must reside within the City limits, have established trash service and be current with your sewer and trash billing. The roll-off will be delivered only to residences within the City.

Mailing Address: _____

City, State, Zip: _____ Phone Number: _____

Delivery date: _____ Pickup date: _____

I will be disposing of the following:

Will you be paying a 3rd party contractor to perform services that will be utilizing this roll-off? _____

The roll-off will be delivered to the above address by 2:00 in the afternoon and will be picked up by 6:00 am the following normally scheduled work day. Once delivered the roll-off **WILL NOT** be moved and will remain where placed until picked up. If the roll-off is requested to be placed within a locked location, the gate must be open and/or unlocked by 1:00pm on the day of delivery and by 5:30am on the scheduled date for pickup.

I agree **NOT** to dispose of any of the following items in the roll-off. I also agree to pay for all fines incurred as well as any manpower hours used to sort and dispose of items that were placed on the truck illegally.

The following items **CAN NOT** be disposed of:

- Anything that would pose a hazard to ourselves or our community including:
- Household garbage
- Construction debris and building/remodeling materials such as lumber, shingles, dirt, rock, stone, brick, cement and/or concrete material.
- Hazardous, Industrial, Medical or Radioactive materials, Chemical by-products, Paint, Insecticides and/or Herbicides and potentially environmentally destructive materials.
- Automotive parts such as motors, transmissions, batteries, tires, fuel tanks or cans, used oil, etc.

Please provide a description of where you would like the roll-off to be placed on your property. Remember we cannot drop off the bins in alleys, backyards or park on neighboring properties.
