WHEREAS, in Pinal County there are over 850 children and youth in foster care being provided with a safe, secure and stable home along with the compassion and nurture of a foster family; and

WHEREAS, all young people in foster care need a meaningful connection to a caring adult who becomes a supportive and lasting presence in their lives; and

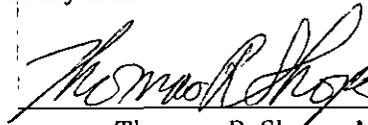

WHEREAS, foster, kinship and adoptive families, who open their homes and hearts and support children whose families are in crisis, play a vital role in helping children and families heal and reconnect thereby launching young people into successful adulthood; and

WHEREAS, dedicated foster families frequently adopt foster children, resulting in a greater need for more foster families; and

WHEREAS, there are numerous individuals, public and private organizations who work to increase public awareness of the needs of children in and leaving foster care as well as the enduring and valuable contribution of foster parents, and the foster care "system" is only as good as those who choose to be part of it,

NOW, THEREFORE, I, Thomas R.
