Coolidge Comprehensive Transportation Feasibility Study

PUBLIC MEETING

WE NEED YOUR INPUT!

The Arizona Department of Transportation and the City of Coolidge invite you to give us your feedback about future transportation improvements in your community at the second public meeting for the Coolidge Comprehensive Transportation Feasibility Study.

Your involvement will help city officials refine a comprehensive transportation plan that will examine the existing system and recommend improvements for bicycle, pedestrian, vehicle and other travel modes.

Information about the study will be provided at the meeting and maps of possible future improvements will be displayed. Representatives from the project team will be available to answer questions.

For additional information or to submit comments in writing, please contact:

Charla Glendening

Project Manager, ADOT
206 S. 17th Ave., Mail Drop 310B
Phoenix, AZ 85007
