

COOLIDGE POLICE DEPARTMENT

CHAPTER 53

INSPECTIONS

CALEA Standard(s):

General
Orders

Issue Date: 6-24-13

Review Date:

Revision Date:

- A. Sergeants shall perform regular inspections of the personnel under who are a part of their operational unit. Inspections shall be made and documented, at least annually, of vehicles, uniforms, equipment and firearms. In addition, sergeants shall monitor their unit's assigned work area and shall note and report any deficiencies in provided equipment, furniture and supplies.

- B. Commanders should regularly (at minimum, annually) review the performance of assigned units, from an administrative and operational perspective. Identified deficiencies should be addressed, as permitted by available resources.

- C. Inspections and annual unit performance reviews shall be documented and forwarded through the chain of command.
