

Change Service Day Announcement

Hello Valued Coolidge Customer,

Thank you for making Right Away Disposal (RAD) one of the fastest growing waste providers in Arizona. A key component in this success is the ability to fulfill our dedication to customer service. With this in mind it may be necessary to adjust or improve our routing process. A great amount of research goes into route adjustments, which primary focuses on what's best for our customers and RAD's sustainable commitment to the environment. As a result of this research we are contacting you with the following changes reflected below:
