

SUPPORT THE LIBRARY

WHY

The Friends of the Coolidge Library are members of the community who value the library and its services. We think of ourselves as the library's best friends.

By contributing as a library Junior Friend, you make a lasting difference for your library.

JUNIOR FRIENDS BENEFITS

Members receive checkout periods of 21 days (3 weeks) for books and audio books.

BOOKSALES

Help out at the annual booksale in November, thousands of books are available at special sale pricing during this event. Items that are removed from the library's inventory are added to the book sale. Patrons may purchase single items or fill up provided boxes for incredibly low prices.

You will be eligible to help coordinate the first Junior Friends Booksale, coming summer of 2019. Junior Friends will have a vital role in the set up, and marketing.

If you are interested in becoming a member, attend one of the meetings or call the library at (520) 723-6030 for more information.

FRIENDS OF THE COOLIDGE LIBRARY

The Friends of the Coolidge Library is a non-profit organization that incorporated in 1982. The organization's mission is to foster closer relations between the Coolidge Library and the citizens of Coolidge.

How does the Friends organization help the library? Friends' funding comes primarily from donated books that are sold at the library. Donated items are available for sale every day the library is open.

In 2018 The Friends of the Coolidge Library created The Junior Friends of the Library for children ages 7 to 17, giving the youth who are passionate about books and the library, a way to contribute and make a lasting difference.
