

HOW TO DONATE A TREE

The Coolidge Living Tree Donation Program is sponsored by the City's Parks Department. By donating a tree to this special program, you can help beautify our city parks while at the same time Celebrating Life by planting a tree!

PLANT A TREE IN TRIBUTE

Celebrate a birth, a wedding, an anniversary or honor the memory of a loved one through the Living Tree Donation Program! Throughout the ages, trees have stood as strong life symbols. Trees improve our air quality and beautify our parks. A tree can also serve as a living and loving remembrance of a special event.

PERFECT AS A FAMILY TREE

Plant a tree to honor the birth of a child, to serve as a symbol of a growing family. Like the tree, the family spreads its roots as it branches out, preparing a strong base for future generations.

PERFECT AS A MONUMENT

The donation of a tree is a wonderful testimonial to a life well lived. Family and friends will have a living monument for a loved one, which will also provide beauty, shade and landscaping for city parks.

As a Department policy, we are not able to hold ceremonies. However if family and friends would like to celebrate after the tree is planted they may do so. In addition, due to the increased maintenance we do not allow the placement of decorations, notes, and ornaments on the trees.

Your tree will be planted at any park owned by the City of Coolidge. Our staff will gladly work with you in selecting the type of tree and tree location in the park of your choice. After your tree is planted the parks division will maintain your tree, however please remember a tree is a living organism and can develop disease, it is exposed to the weather elements and vandalism. If you notice that weather elements or vandals have damaged your Living Tree, please contact the Parks Department immediately. We will take correct measures as soon as possible. If the tree develops a disease or is damaged it may be necessary for the division to replace the tree.

Through the City's Living Tree Program you can help beautify our city parks while at the same time celebrating a life by planting a tree! You can plant a tree in tribute to any special occasion. All living tree donations are tax deductible. You can plant a tree in tribute to a wedding, birth of a child, anniversary, or honor the memory of a loved one.

City of Coolidge Parks

Parks and Recreation

Living Tree Donation Program

Through the provision of parks, open spaces, and protected natural environments, recreation can contribute to the environmental health of our communities. This is an essential life sustaining role.
